Budget Control Act (BCA) Spending Caps vs No Caps

Sources: Pre-BCA projections data represent CBO's March 2011 Adjusted Baseline. Actual funding figures are author's calculations using defense figures from table 1 of Congressional Research Service (CRS) report R44039, and non-defense figures from table 3 and appendix of CRS report RL34424. Projected FY2014 figures are from CBO's August 2015 baseline. Produced by Veronique de Rugy and Rizqi Rachmat, October 19, 2015.
